Kannur, Kerala, India | +91 9562962427 | pnavaneeth59@gmail.com

PROFESSIONAL SUMMARY

B.Tech Computer Science and Engineering graduate with a strong foundation in programming, database management, web technologies, and computer science fundamentals. Hands-on experience in academic projects involving image processing, and web application development. Seeking an entry-level IT opportunity to apply technical knowledge, strengthen industry skills, and contribute to organizational objectives.

TECHNICAL SKILLS

Programming Languages: Python, C, SQL

Web Technologies: HTML, CSS, JavaScript

Databases: MySQL

Computer Science: Data Structures, DBMS, Operating Systems, Computer Networks.

Tools: Visual Studio Code

PROJECTS

Copy-Move Image Forgery Detection Using CNN

- Developed a deep learning-based system to detect copy-move forgery in digital images.
- Implemented a Convolutional Neural Network (CNN) model using Python.
- Performed image preprocessing and converted input images into grayscale format for model processing.
- Applied convolution, pooling, flattening, and dense layers to identify patterns associated with image forgery.

Blood Bank Management System

- Developed a web-based application for managing blood bank and donor information
- Designed and managed the database for storing donor, blood group, and related information.
- Implemented the application using PHP, MySQL, HTML, and CSS.
- Implemented user login and database connectivity for secure access and data management.

EDUCATION

Bachelor of Technology in Computer Science and Engineering 2024
College Of Engineering Trikaripur, APJ Abdul Kalam Technological University CGPA: 7.53/10

Higher Secondary Education 2020
Tagore Vidyaniketan Govt. Vocational Higher Secondary School Percentage: 87.5%

Secondary School Education 2018
Government Higher Secondary School, Pattuvam Percentage: 95%

CERTIFICATIONS

- Python for Data Science – NPTEL, 2021
- Database Management System – NPTEL, 2023

CORE COMPETENCIES

Problem Solving | Analytical Thinking | Communication | Teamwork | Time Management | Adaptability | Quick Learning
